Tapering charges

The totality of the school fees must be paid to obtain a certificate of definitive register

***Conditions de paiement pour les cours "au pair"**

The deposit is paid at the time of registration and is based upon the number of periods you have chosen. The remaining balance is settled by monthly payments (checks, cash, bank transfer or debit card at least 3 weeks before the beginning of every session). Therefore, you benefit from a reduced rate corresponding with the chosen months.
 For example: The total for 9 months: 1904 € instead of 1988 € that you would pay on a monthly basis.
 You can also reregister every month 15 days before the beginning of every session at the latest. You will benefit from a sliding scale of payment from one month to the next on the basis of the monthly amount indicated above. For example: 1st session: 230 €, 2nd session: 228 €, 3rd session: 225 €, etc.
 Attention! In order to receive a certificate of definitive registration, the totality of the payment or checks totaling the amount of the entire payment must be submitted. Checks are deposited gradually between 15 and 21 days before the beginning of every session. NB - No application or registration fees (these are included in the deposit paid at the time of registration).
